

# Mourouk Ebony Hotel

---

## Location

The Mourouk Ebony is set up facing the vast lagoon, streaked with various shades of blue and turquoise contrasting with the deeper blue of the winding channel and sheltering a number of desert islets. The hotel rests onto a hilly landscape flanked with isolated sandy beaches that is sure to remind one of the African Savanna. The hotel offers an excellent food and is well known for its particular family atmosphere and its land and sea sports activities mainly kite surfing, funboard, diving and deep-sea fishing. The hotel is 30 minutes by car from the airport and also 30 minutes from the capital Port-Mathurin.

## ACCOMODATION

30 rooms of which 20 are communicating. All rooms are set up facing the lagoon and are air conditioned and equipped with private bathroom (shower) with kit, minibar, tea and coffee, tropical ceiling fan and terrace. It is also possible to include an extra bed or cot upon request.

## VILLA OCEANE

The Mourouk Ebony Hotel hosts its villa "Océane". A more original product, closer to the Rodriguan lifestyle with calm, serenity and proximity to the stunning lagoon swaying with the sun, the tides and the back and fro of the local fishermen as its main keynotes.

This exclusive setting overlooking the beach, secluded from the other hotel amenities, guarantees a tranquil environment. Its private swimming pool and Jacuzzi, its personalized service coupled with the possibility to share the execution of delicious recipes with the hotel Chef and the versatility of its booking modes allows for varied clients: couples more keen to preserve their intimacy to families willing to indulge into a unique holiday experience.

### Scuba Diving

The Bouba Diving Center is based at Mourouk Ebony Hotel, on the South-Eastern part of the island facing the large winding channel, "La Grande Passe". The club is run by a bilingual NAUI instructor who will share with you his passion for the underwater world. The dive outings may be confined to the numerous sites that the "Grande Passe" contains, but he will also challenge you to explore the over-stretched barrier reef which still conceals a great deal of its secrets...

### Big Sea Fishing

You will have access to the best fishing spots to catch the phenomenal 'kingfish' and the marlin

– the king of the seas, due to the strategic location of the hotel. We will also provide the best kit for this sporting activity. 55 miles from Rodrigues, you can make a good catch on the east bank, and at 90 miles on the great Hawkins bank, an extraordinary adventure awaits you!

The Rod fishing Club currently hold the new World Record for a Blue Marlin of 561.500 kg on 80 lbs stand-up by Stephan Kreupl on 30 January 2007. In addition, we hold a record prize in jigging by Christian Mercier for a Dogtooth Tuna of 104.500 kg on a line of 100 lbs the 25 October 2007. These records exhibit the strong rodriguian potential, especially for women and juniors. For more information kindly visit our website [www.rodrigues.holidays.io](http://www.rodrigues.holidays.io)

### Traditional fishing

Local fishermen of the neighbouring will be pleased to have you on board of their traditional boat during their daily outings.
