Sailing South Mauritius Island

FUN AND EASY

On the Catamaran Mauritius South cruise you will discover the south-eastern coast of Mauritius and visit our famous little islands such as Ile de La Passe, Ile aux Phares and Ile aux Cerfs. The cruise operates on Mondays, Thursdays and Saturdays only.

Itinerary

After embarking, the catamaran will sail straight to the GRSE waterfall for a visit of about 30 minutes. You will be taken closer to the waterfall on a small boat.

The catamaran will then stop for swimming and snorkelling while the crew prepares a fish barbeque. Lunch will be served on board during the journey to Ile aux Cerfs. You may disembark for approximately two hours of leisure on the island Ile aux Cerfs before setting sail back to Point Jérôme.
